A KEHILA OF GEMS GETTING TO KNOW EACH OTHER

R' AVNER AHARONOV

Where are you from?

My wife, Vanessa, and I were born and raised in Caracas, Venezuela, but we lived for a number of years in the USA before we made Aliyah thirteen years ago.

What languages do you speak?

We speak Spanish, English and Hebrew.

Tell us a bit about yourself.

I studied Advertising and Marketing in Caracas and then at USF Tampa in Florida and finally at Baruch College in Manhattan, NYC. Right before completing my studies, I decided to go to a Yeshiva in Monsey in order to improve my Yiddishkeit. Two years after completing Yeshiva, we got married in Monsey, where we lived for twelve years before making Aliyah to RBS.

Vanessa came to Jerusalem after high school to study at Midrasha Binyan Olam. She returned to Caracas to start a career in architecture, but fortunately for me she chose to leave it behind in order to marry me and live in Monsey.

Today, Vanessa runs the store The Fabric Place here in RBS that she opened more than six years ago. I learn in a kollel in RBS Gimmel. We have seven beautiful kids B"H.

Why did you make Meam Loez your community?

We were lucky to live in the building right next to Meam Loez since we made Aliyah. Within a few weeks, we already felt like part of the shul. Since we first arrived, the emphasis on the children and the importance of chinuch has and continues to amaze me. Our children are like important members of the kehila, whether via their participation in the davening or as active learners attending the interesting shiurim offered to them. Meam Loez made our Aliyah much easier and acted as a cushion to the culture shock.

I am part of the night kollel program and we have a shiur for the Spanish speakers on Shabbat morning immediately after Shacharit which we all enjoy very much. Meam Loez is and will continue to be an oasis for Sephardic families that make Aliyah. We enjoy being part of this community. Thank you!
