A KEHILA OF GEMS GETTING TO KNOW EACH OTHER

R' BETZALEL NAKAR

Where are you from?

My wife and I were born and raised here in Israel but my mother is from England and my wife's father is American. We moved to RBS from Kiryat Sefer three years ago and really like it here.

What languages do you speak?

My mother taught me English in my early childhood so I speak it although not quite fluently. My wife understands enough English to get by in RBS.

Tell us a bit about yourself.

I learn here in Meam Loez Kollel three sedarim daily. I try to keep my interests and hobbies mostly connected with Hashem and learning. I greatly enjoy gematriot and other Chidushei Torah based on the remazim of the Torah such as words made of roshei and sofei tevot, interchanged letters and the like. I also enjoy singing and music and have an artistic side.

My introduction to the Chareidi world was through the Litvish Yeshiva of Kiryat Malachi. I was zoche to be a close talmid of R' Moshe Shapiro zt"l for many years. After getting married I also connected with the writings of Rav Nachman and Breslov.

I am trained in reflexology and medical massage and perform both for income on the side. BH, I get much satisfaction helping people and relieving their pain.

Why did you make Meam Loez your community?

Being that my mother is British and my father is Iraqi, I was bound to end up here in Kehilat Meam Loez! Joking aside, I greatly enjoy the unique atmosphere that combines the Middle Eastern Sefardi warmth with the politeness and welcoming acceptance of chutznikim. I appreciate the wonderful, truly G-d fearing people we have in the community and love that my boys have a sense of belonging here.
